

EC CERTIFICATE OF CONFORMITY

359-CPD-0030

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

FireCell Two Loop Radio Hub FCX-500-002
FireCell Two Loop Radio Hub FCX-500-402
(refer to attached appendix for details)

placed on the market by

EMS Security Group Limited
Technology House, Sea Street, Herne Bay, Kent, CT6 8JZ

and produced in the factory by

EMS Security Group Limited
Technology House, Sea Street, Herne Bay, Kent, CT6 8JZ

Is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. **359 - Intertek Testing & Certification Ltd** – has performed the initial type- testing for the relevant characteristics of the product, the initial inspection of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the product performance described in Annex ZA of the product standards

EN 54-25:2008

- Fire detection and fire alarm systems - Components using radio links

were applied and that the product fulfils all the prescribed requirements.

This certification was issued on **17th March 2010** and remains valid as long as the conditions laid down in the harmonised technical specification above, or the product design, or the manufacturing conditions in the factory, or the FPC itself are not modified significantly and latest on **17th March 2015**.
